

Education

- 2016 - present** **PhD student.** BC3-Basque Centre for Climate Change. (Bilbao, Spain)
- 2014 - 2015** **M.Sc., Ecosystem Restoration.** Universidad de Alcalá (Spain)
Master Thesis: Management proposal for the conservation and the recreational-educational use in Punta Camorro (Tarifa, Cádiz)
- 2008 - 2013** **B.Sc., Environmental Sciences**
 Universidad Autónoma de Madrid (Spain).

Academic positions

- 2016** **Research Assistant**
 Department of Life Sciences, Universidad de Alcalá (Madrid, Spain)

Grants and fellowships

- | | | |
|-------------|--|---------|
| 2016 | <i>"Tatiana Pérez de Guzmán el Bueno" Foundation</i> - PhD fellowship | 70,500€ |
| 2016 | <i>European Social Fund (European Commission)</i> - Research assistant | 25,000€ |

Participation in research projects

- 2016 - present** **REBECOM**-Estimación del tiempo de recuperación de bosques templados tras impactos antropogénicos históricos a lo largo de un gradiente de complejidad.
 Funding Agency: Spanish Ministry of Science
 Institution: BC3-Basque Centre for Climate Change
 Main Researcher: Dr. David Moreno Mateos

Conferences and workshops

Rodríguez Uña A, Moreno Mateos D. (2019) Stability recovery of interaction networks in temperate forests after mining impacts caused since the Middle Ages. *1st Meeting of the Iberian Ecological Society & XIV AEET Meeting* (Barcelona, Spain).

Moreno Mateos D, Alberdi A, **Rodríguez Uña A**. (2019) Understanding the long-term assembly of ecosystem complexity to advance a limited restoration. *1st Meeting of the Iberian Ecological Society & XIV AEET Meeting* (Barcelona, Spain).

Rodríguez Uña A, Moreno Mateos D. (2018) Recuperación de la estabilidad de las redes de interacción en ecosistemas forestales afectados por la minería desde la Edad Media. *IV Reunión conjunta de la Sociedad Española de Ciencias Forestales y de la Asociación Española de Ecología Terrestre* (Alcázar de San Juan, Spain).

Martínez-Baroja L, Pérez-Camacho L, Villar-Salvador P, Rebollo S, Leverkus AB, Quíles P, Rebolé R, **Rodríguez-Uña A**, Gómez-Sánchez D, Molina-Morales M, Castro J, Rey-Benayas JM. (2017) Acorn dispersal by magpie (*Pica pica*) in a Mediterranean forest and farmland mosaic. An overlooked actor for oak woodland spread? *3rd Restoring Forest: Regeneration and Ecosystem Function for the Future* (Lund, Sweden).

Martínez-Baroja L, Pérez-Camacho L, Villar-Salvador P, Rebollo S, Rey-Benayas JM, Rebolé R, Quíles P, **Rodríguez-Uña A**, Castro J, Molina-Morales M, Leverkus AB. (2017) How did I arrive

here? Dispersal of holm oak (*Quercus ilex*) acorns by magpie (*Pica pica*) in a forest and farmland mosaic. *MEDECOS XIV International Conference* (Seville, Spain)

Volunteer. *III Jornadas Ibéricas de Ecología del Paisaje*, 2016. (Cáceres, Spain)

Volunteer. *II Foro Internacional de Restauración Ecológica*, 2015. (Madrid, Spain)

Other academic skills

Computer	<p>Statistical packages: RStudio, SPSS</p> <p>GIS platforms: QGIS, ArcGIS, gvSIG, GlobalMapper, Idrisi, Envoy</p> <p>Biomolecular analysis: Geneious, MEGA, figtree</p> <p>Dendrochronology: CDendro and CooRecorder</p> <p>Design software: GeoFluv-Natural Regrade, AutoCAD, Autocad Map 3D</p> <p>Image processing: Image J, Engauge, Datathief</p>
Data analysis	<p>Generalized and general linear models</p> <p>Mixed models</p> <p>Multivariate analysis</p>
Field work	<p>Artikutza, Navarra (Spain)</p> <p>Irati Forest, The Pyrenees (Spain)</p> <p>Southwestern Greenland</p> <p>Ordesa y Monte Perdido National Park, The Pyrenees (Spain)</p> <p>Puerto de Canencia, Central System (Spain)</p>

Additional formation

2019	<p>Ecological networks analysis</p> <p>Universidad Rey Juan Carlos (Spain)</p>
2017	<p>Molecular approaches for biodiversity detection</p> <p>Universidad del País Vasco (Spain)</p>
2017	<p>Climate Change in an Era of Uncertainty</p> <p>BC3-Basque Centre for Climate Change & Universidad del País Vasco (Spain)</p>
2016	<p>Optimizing the use of R for ecological analysis</p> <p>AEET-Asociación Española de Ecología Terrestre (Seville, Spain)</p>
2016	<p>Exploratory Data Analysis and Linear Models in R</p> <p>Universidad de Alcalá (Madrid, Spain)</p>
2014	<p>On-line course in Environmental Education</p> <p>National Environmental Education Center (Spain)</p>
2014	<p>Socioeconomic development around National Parks with organic agriculture</p> <p>National Environmental Education Center (Spain)</p>
2014	<p>Volunteering, exclusion and development cooperation</p> <p>Universidad Politécnica de Madrid, Universidad Complutense de Madrid (Spain)</p>
2013	<p>Communication and Education for Climate Change</p> <p>National Environmental Education Center (Spain)</p>

Languages

Spanish Mother tongue**English** Fluent (First Certificate in English, Advanced degree in Official Language School)**French** Basic level**Academic Societies**

British Ecological Society (BES), Asociación Española de Ecología Terrestre (AEET)

Professional Experience

2014 - 2015 **Environmental Educator.** Escuela Rastros (Madrid, Spain)**2012 - 2015** **Environmental Educator.** Asociación Gaia (Madrid, Spain)
